Write Way Solutions to Offer Entrepreneurial Scholarships for South Mountain-Area Students

PHOENIX—Sept. 14, 2006—Write Way Solutions, a freelance writing and editing company in the South Mountain Village, today announced it will be offering scholarship opportunities for seniors currently attending high school in the South Mountain area.

The Write Way Solutions Entrepreneurial Scholarship is designed to recognize students who demonstrate an extraordinary entrepreneurial spirit that results in the start of a new business venture or unique product. Qualified individuals are eligible to receive up to a \$1,000 scholarship for use at any private or public university/college, as well as at seminars, workshops or related business-building programs.

“This scholarship is an opportunity to invest in the young minds that are creating tomorrow’s big business ideas,” said Tom Trush, owner of Write Way Solutions. “Led by creative entrepreneurs, small businesses are the driving force behind our economy, not only here in south Phoenix – an area ripe with revitalization – but throughout the country.”

Along with their application, students will need to include two letters of recommendation and write an essay describing the details of their entrepreneurial venture. More information, including the application and guidelines form, is available by visiting www.writewaysolutions.com.

Applications must be returned by April 30, 2007.
